President's Annual Report

Dr. Alvin O. Austin
President

The Future Rises Before Us

I'm told that people are already making New York City hotel reservations for Dec. 31, 1999. They don't want to miss the massive Times Square celebration that will usher in the new millennium. They are making the future a priority.

LeTourneau University has always made the future a top priority. Every class we teach, every lab we instruct and every chapel service we conduct is part of our plan to shape the future through the Christian education of men and women.

This year we hope to complete our Shaping Tomorrow capital campaign. It's been a three-year, \$16 million focus on new buildings, new scholarships and new initiatives to help prepare for the future. We're right on schedule and will actually surpass our fund raising goals.

You have played a vital part in helping us plan for the future through your prayers, your gifts and your encouragement. On behalf of the students, faculty and staff of LeTourneau University, I thank you for all you have done.

The cover of this issue features a beautiful, digitally rendered photograph of balloons floating above the campus, taken by our own alumnae Marli Graff Hickin. (Marli, by the way, is also the daughter of long-time engineering professor Dr. Bill Graff). In this issue, we take a balloonist's look at the ministry of LeTourneau: the University "At a Glance."

LeTourneau
University

at a glance...

**LeTourneau is
home to students
from virtually
every state
and 25 nations
of the world.
What brings
this diverse
student body
together?**

World-renowned academic programs...

U.S. News & World Report and other national publications have regularly listed LeTourneau as one of the top small universities in the United States. U.S. Senator Phil Gramm (R-Texas), himself a former college professor, has noted that "LeTourneau offers the kind of top-quality education . . . that deserves congratulations." U.S. President Bill Clinton commended LeTourneau as "the ideal learning opportunity."

Strong values-based education...

As an evangelical Christian university, our foundation is based squarely on Biblical principles and practice. Billy Graham, who served on LeTourneau's board for several years, has said, "In my judgment, LeTourneau is one of the finest schools combining academics, Christian witness and

technical expertise that I know about."

Perhaps our President, Dr. Alvin Austin, captures the spirit of the university best: "LeTourneau is on the move. We are receiving widespread recognition for offering a world-class education with a Christian world view."

**"One of America's
Best Colleges."**

U.S. News & World Report

This is the place where strong academics is coupled with a dynamic Christian faith. Our students and alumni want to stand up and stand out and glorify God to the best of their abilities."

In 1946, LeTourneau Technical Institute of Texas was founded by R.G. and Evelyn LeTourneau.

FAITH BRINGS US TOGETHER.

- **Education:** Elementary Education; Secondary Teaching Certification – available in nine subject areas: Biology; Business Administration; Chemistry; Computer Information Systems; English; History; Mathematics; Physical Education; Science Composite

- **Engineering:** Engineering (with Electrical & Mechanical concentrations); Welding Engineering; Engineering Technology (with Electrical, Mechanical and Welding concentrations); Design Technology

COMPUTERIZATION

- More than 100 computers are available to students in six computer labs and the library.
- A notebook computer is issued to every master's level student.
- The University's award-winning Internet site is located at www.letu.edu. The website provides more than 1,500 pages of information, and is visited by more than 1,000,000 computer users a year.

DEGREE AND PRE-PROFESSIONAL PROGRAMS

- **Liberal Arts:** Biblical Studies; English; History; History/Political Science; Pre-Law; Psychology

- **Mathematics and Computer Science:** Computer Science (with Engineering, Engineering Technology or Mathematics options); Mathematics

- **Natural Sciences:** Biology; Biology-Exercise Science option; Chemical Physics; Chemistry; Physical Education, Pre-Dental, Pre-Med., Pre-Vet.

CAMPUS LOCATION

- Located in Longview, Texas, LeTourneau University has additional educational centers in Dallas, Houston and Tyler, Texas.
- The University has a 162-acre campus in Longview with 26 major structures, a flight center at Gregg County Airport, and "Class A" facilities in Dallas, Houston and Tyler.

- The University has nearly 9,000 alumni in all 50 states and 48 nations.
- LeTourneau graduates are hired by major employers nationwide; many consistently recruit our graduates.

ALUMNI

INGENUITY SETS US APART.

BUDGET

- The annual budget is more than \$22 million.
- LeTourneau University continues to maintain a firm financial base, with balanced budgets for the past decade. The University is a member in good standing of the Evangelical Council for Financial Accountability (ECFA).
- Gifts are crucial to our success, and 1997 gifts from alumni, friends, corporations and foundations have supplied almost \$2.6 million toward operating expenses, programs and building projects. Our building projects are funded from gifts so that tuition dollars can be used for educational needs.

ACCREDITATION

- Southern Association of Colleges and Schools (SACS).
- Accreditation Board for Engineering and Technology (ABET).
- Aeronautical Science programs are FAA approved.

FACULTY/STAFF

- 289 Faculty (full-time & part-time).
- 181 Staff and administrative personnel.

STUDENT PROFILE

- More than 2,200 students are enrolled, including about 1,900 undergraduates and 300 graduate students. The enrollment is a unique mixture of on-campus, mostly resident students in Longview, and adult students in educational centers in Dallas, Houston, Tyler and elsewhere in Texas.
- The three most popular majors include: business, engineering & engineering technology and aeronautical science.
- Students come from 47 states and 25 nations.

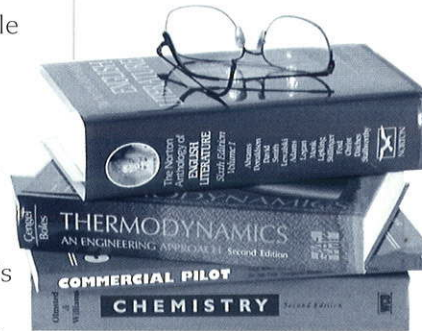

FINANCIAL AID

(Fiscal Year 1998)

- Annual tuition/fees: \$10,754.
- Institutional aid to students (1997-98): \$2.4 million.
- Total aid from all sources: \$7.7 million.
- 90% of all students receive some form of financial aid.

LIBRARY

- More than a quarter-million total items.
- A CD-ROM information network.
- Internet accessible databases.
- Online library catalog with advanced search features.
- A member of OCLC, the world's largest bibliographic database.
- Access to nearly any book or article through Interlibrary loan.

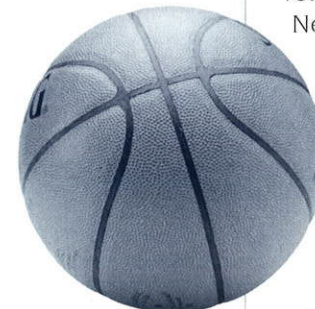

FAITH BRINGS US TOGETHER.

SHAPING TOMORROW

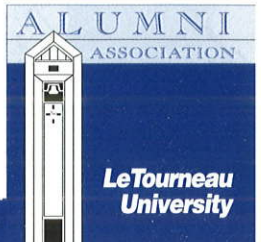

The Shaping Tomorrow campaign is a three-year, \$16 million capital campaign in honor of LeTourneau University's 50th anniversary. Now in its final phase—Shaping Tomorrow's Technology—the University is seeking to fund its newest construction project: a \$5 million "Center for Engineering, Science and Technology." This state-of-the-art Center will become the new home of our Engineering/Engineering Technology and Natural Sciences Divisions. The 52,000 square foot building will include eight new classrooms, two dozen specialized labs, office space and project areas. (See p. 11 for more details.)

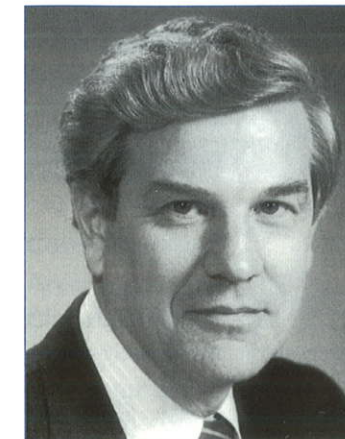

SPORTS

- Member NAIA and NCCAA athletic associations.
- NCAA Division III beginning Fall 1998, Member American Southwest Athletic Conference.
- Ten Varsity teams: Basketball (men and women) Baseball (men) Cross Country (men and women) Soccer (men) Volleyball (women). New in 1998: Soccer (women), Tennis (men & women).
- Intramural participation: over 80% in 19 sports activities.

The Awards on this page recognize outstanding achievement by one of our own alumni, and significant involvement in the life of the University by a person we wish was one of ours! The two individuals listed on this page are being presented the highest awards given by the LeTourneau University Alumni Association.

1997 ALUMNUS OF THE YEAR

Dr. Ken Schreder

LeTourneau University is pleased to honor Dr. Ken Schreder (EE '56) as our 1997 Alumnus of the Year.

Ken is vice president, engineering, for Boeing Space Systems. His work has included radar, electro-optic systems, infrared and optical sensor systems, communication systems, advanced high-speed processing, vehicle control architectures and other fields. He has lectured in conferences and at universities in the U.S. and Europe.

He has served on the LeTourneau University Board of Trustees since 1994, but has a long history of volunteerism with the University, including organizing alumni meetings and contacting corporate leaders on behalf of LeTourneau. He has also been active on the boards of several churches, and continues to take a leadership role in his home church, Calvary Church of Santa Ana (California).

Ken and his wife, Arlene, have been married 38 years and have two married sons, both engineers. The Schreders make their home in Lake Forest, Calif.

We congratulate Ken on being our 1997 Alumnus of the Year. He truly exemplifies the qualities that we want to see in all our graduates. We are honored to count him as one of our own.

1997 HONORARY ALUMNUS OF THE YEAR

We are pleased to announce that Paul J. Beddia is LeTourneau University's 1997 Honorary Alumnus of the year.

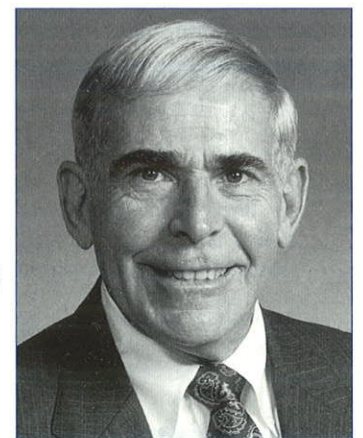

Paul is being recognized for his outstanding involvement in development of the University's first-ever endowed professorship: The Omer W. Blodgett Chair of Welding and Materials Joining Engineering.

Paul joined the Lincoln Electric Company of Cleveland, Ohio, in 1956 as an engineer, and has had an illustrious career with the company. He is currently vice president for government and community affairs. He has held numerous leadership positions with civic, professional and national organizations.

Paul has had a major impact on LeTourneau University through his tireless efforts to promote the Blodgett Chair to his own company, Lincoln Electric, and other corporate sponsors. Lincoln Electric is the largest single financial donor to the Blodgett Chair, and its gifts have been instrumental in encouraging many other corporations and individuals to support the fund-raising effort.

The Blodgett Chair, when fully endowed, will produce income to fund a professorship. It is named in honor of Dr. Omer W. Blodgett, himself a Lincoln Electric employee and a world-recognized leader in the field of welding engineering. The University is close to completing the fund-raising effort for the Chair, thanks in large part to the efforts of Mr. Beddia.

We are grateful for Paul and for his energy, commitment and vision. We are delighted to honor him in this way.

Campaign Surpasses \$17 million

Donations to the Shaping Tomorrow capital campaign now stand at over \$17 million, surpassing our original goals, reports Dr. Alvin Austin. The campaign, which has been a three-year, \$16 million effort, honors the 50th Anniversary of the founding of LeTourneau University. With the completion of the new Center for Engineering, Science and Technology the total campaign will exceed \$20 million.

The Solheim Recreation and Activity Center, completed in 1996, was the cornerstone project of the Shaping Tomorrow campaign. It has improved and expanded service to our students, provides outreach to the community and serves as a catalyst to attract more young men and women to come and share the unique educational experience of LeTourneau.

Center for Engineering, Science & Technology

Total
\$5,000,000

FACTS AND FIGURES

Cost: \$5 million

Area: 52,000 square feet

Classrooms: Eight: one 100-student, one 60-student, three 40-student and three 30-student, all equipped with high tech audio-visual and data communications capability.

Computer Labs: Two: a teaching and projects lab and a computer aided drafting and design lab. All workstations will be interfaced with the campus network, local file servers and the Internet.

Engineering Labs:

- **Six electrical labs:** Electrical Engineering, Electronics & Digital, Mechatronics, Microprocessors, Microprocessor Design, and Laser & Fiber-Optics

- **Five mechanical design labs:** Measurement, Vibrations & Materials, Robotics & Manufacturing, Biomedical, Advanced Projects

Science Labs:

- **Four biology labs:** General Biology (2), Advanced Biology, Research

- **Five chemistry labs:** Freshman level—2 labs, Upper level—2 labs, Instruments

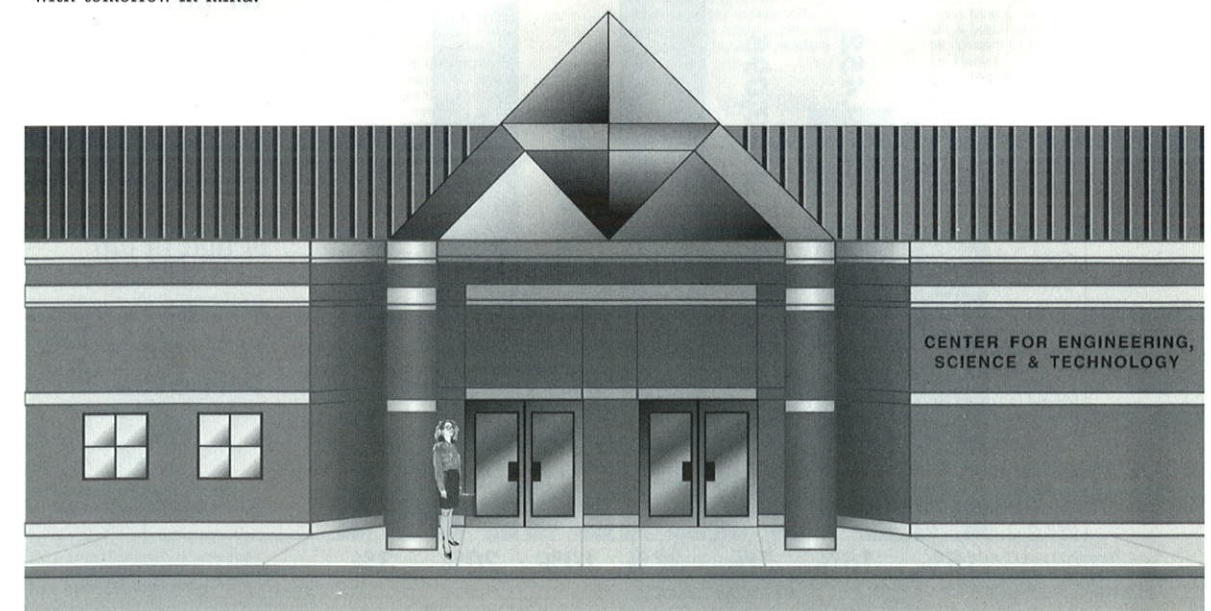

- **Three physics labs:** General, Chemical Physics, Physics Prep

The new labs will house advanced Scientific Equipment, such as a Nuclear Magnetic Resonance Spectrometer and a Scanning Electron Microscope.

Faculty: Engineering faculty will be drawn together from four different metal buildings. Science faculty will have much-needed room for more office space and anticipated additional growth. There are 26 faculty and administrative offices.

Other: Conference rooms, work areas and ample supply rooms will round out the facility.

Dates: LeTourneau construction projects are built debt-free. When the funds are in hand, the project will begin. We are looking at a tentative date of early 1999 to begin, with a construction time of about 18 months. Our goal is to have this building operational for the entering class of 2000—a fitting date for a high-tech building constructed with tomorrow in mind.

WITH GRATITUDE & THANKS

The following alumni and friends made contributions to LeTourneau University during the period from July 1, 1996 to June 30, 1997. We deeply appreciate each and every gift and the many givers who make it possible to carry on the work of educating Christian young people. Rest assured that your gifts are used in a manner consistent with the sacrifice that accompanies them.

Way to Go, Class of 1989!

**The dedicated members
of the class of '89 hold
this year's record for the
highest percentage of
alumni giving: 34
percent of all graduates
provided financial
support to the University.**

**Several other classes
gave them a run for their
money: '56, with 30
percent; '61, with 29
percent and '86, with 28
percent. All had sig-
nificant numbers of
alumni giving. Overall
giving, by all classes
from 1947 to 1997,
was 17 percent.**

**We're very grateful for
this significant level of
alumni involvement. It
helps us accomplish our
mission; it encourages
our students and faculty;
and it speaks well to
foundations and
corporations as we seek
to garner funds for
projects and
scholarships.**

**Thank you, alumni! May
the Lord richly bless you
for your generosity.**
